Brilliant experience dealing with uniforms for our small business - Olivia was particularly helpful - so efficient and nothing is too much trouble!

Staff are very happy with their new uniforms and everyone looks very professional - durable and easy to take care of - lots of options in sizing too.

I highly recommend Happythreads!

Rhona

The best scrubs! All the staff at our practice now wear Koi from HappyThreads. So comfortable and come in so many lovely colours.

Kelly

Rare that we can get a set of scrubs trousers that fit our tall ladies and look great. Thanks for both!

Jillian

Our practice have been using this company for many years. Very good quality material. Very good embroidery also.

Abdul

Olivia was so helpful advising me which scrubs would be best for me. It's a really personal service. My last scrubs from Happythreads are now 10+ years old - they last really well. I would highly recommend this friendly, efficient company who sell great quality work wear.

Rebecca
